Please feel free to reach out to your Missionary and/or me. This department is working as a team to provide any needed missionary services. Things that are in the works right now are: Working with the NST Club to provide a list of National Spiritualist Teachers that are willing to travel and teach. (*Do not hesitate to ask your Missionary.*)

We are working to better promote work of the department, including a brochure that should help with clearer communication. Our goal is that all members know that they have an appointed Missionary available and, most importantly, who it is.

When do you call a Missionary? Anytime you have a question!

May this New Year bring you all the blessings that you desire.

—Stacy Kopchinski, Director
NSAC Department of Missionaries
