

Who's Not Sitting in Your Seats?

Psychosocial
generational look
into congregation
growth with
Rev. Bonnie Crosier.

This is the first time a psychosocial generational look into congregation growth has been presented to our auxiliaries. What should you know about the challenging questions centered around upcoming generations to increase church attendance?

Do you know what Gen X, Y, Z and A are seeking when it comes to spiritual care and exploration? If your church isn't bringing in younger congregants, this presentation is for you. A class overview will be provided for each attendee when the zoom class has ended.

Love of Spirit and Bonnie are not charging for this class; however, accepted donations will be contributed to the NSAC 2022 Convention in the form of a sponsorship.

Tuesday, September 20 on Zoom
7-9 pm EDT; 6-8 pm CDT;
