Searching for Artists

We are in search of a new design for the NSAC Pin. We are out of stock and don't have the existing design. We need someone to design a new one for the organization.

The existing pin is shown below. It is 1" wide, ½" height.

If you have artistic talents, or know someone who does, and you want to assist this organization, please submit your designs (pdf, jpeg format) to media@nsac.org
