The TNS 2025 is now *Welcoming Advertisers!*

Advertise your services, business, association, or church on the pages of *The National Spiritualist Summit Magazine!*

The National Spiritualist Summit Magazine has served as the official publication of the *National Spiritualist Association of Churches* for over 100 years. Having long served as an invaluable resource for information about the religion of Spiritualism, it will now expand globally to serve as a hub to facilitate and foster a higher level of communication and sharing between all Spiritualists around the globe. This new expansion will naturally result in a broader readership, and an increased level of participation in it's growth.

Our new launch issue for 2025 will be offered free of charge to readers across the globe—giving them a chance to explore our beautiful publication—our religion—our churches—and the businesses who have chosen to advertise within the TNS. Listings and advertising will be open in 2025 to other Spiritualist Organizations around the world to participate in the TNS. Your business or organization can join us on this exciting new road to expansion through advertising!

Single Online Subscriptions for *The National Spiritualist Summit* will be available for $30 per year. In-Print Issues will be available for purchase individually or in quanties on our online subscription provider website. Information and links allowing readers to access the new TNS (and in-print pricing) will provided to all upon the launch of the Jan/Feb 2025 issue.
