The TNS 2025 is now *Welcoming Writers!*

We invite you to share your written contributions with the readers of the *The National Spiritualist Summit Magazine!*

The National Spiritualist Summit Magazine has served as the official publication of the National Spiritualist Association of Churches for over 100 years. Having long served as an invaluable resource for information about the religion of Spiritualism, it will now expand globally to serve as a hub to facilitate and foster a higher level of communication and sharing between all Spiritualists around the globe. This new expansion will naturally result in a broader readership, and an increased level of participation in it's growth.

Our new launch issue for 2025 will be offered free of charge to readers across the globe—giving them a chance to explore our beautiful publication and churches. Join us on this exciting new road to expansion!

As we prepare to launch our first issue for 2025, we honor our history of dedicated Spiritualist writers whose insightful contributions have become part of the foundation on which Spiritualism has been, and will continue to be built. It is with sincere gratitude that we thank our writers, both past and present, for continuing this legacy. Your efforts have proven over and over to be an investment in the lives of people who seek to nurture and expand their own spirituality.
