NSAC convention

Are you serving on an auxiliary board or pastoral committee?

Curious about the responsibilities of these vital leadership roles?

Join us for an engaging panel discussion featuring experienced voices from across our auxiliaries and churches. Whether you're new to leadership or looking to deepen your understanding, this session is designed to inform, inspire, and connect.

This is your opportunity to:

- **Hear real-life experiences from fellow leaders**
- **Learn the expectations and best practices for these roles**
- **Ask questions and share your own insights**

We're Looking for Panelists!

If someone from your auxiliary's board or pastoral committee is attending the convention and would be willing to serve on the panel, we'd love to include them
